

# PRODUCT RANGE FOR FOOD INDUSTRY AND EXTRACTORS

Technoflex Rubber Products (An ISO 9001:2015 certified company) is located in Rubber Park, Airapuram, which has been organized for Design and Manufacturing of all type of Rubber, Polyurethane, Plastics Products and Metal Components.

When we believe innovation is the key component to remain as the market leader, we cannot refrain from introducing wide range and variety of Moulded and Extruded products and the moulds for manufacturing those components.

The food processing industry calls for tighter regulations and specifications in order to maintain a high level of health and safety. Our products are widely used throughout the industry due to its high temperature rating and great sealing properties making it ideal for cooking and mixing processes.

**We are Handling Different types of Raw materials for Food industry, they are Natural Rubber, Neoprene Rubber, EPDM Rubber, Silicon Rubber, Viton Rubber, Nylon 6, Nylon 6 6, Nitrile Rubber, Polyurethane, PTFE.....etc.**

With its hygienic, durable and flexible properties as well as being temperature resilient and a non-stick, Our products has a variety of applications which can be applied in the Various sectors.

# Our Product Range

We can manufacture silicone rubber washers to an extensive range of grades and hardness depending on your application requirements. Using our extensive facilities, we can test and design thoroughly providing you with a product that will work.

**Silicon Gaskets**

**Silicon O-Rings**

**Silicon Flat Rings**

**Viton Gaskets**

**Viton O-Rings**

**Viton Seal**

**PTFE O-Rings**

**PTFE Sheets**

**PTFE Tube**

**PTFE Rode**

**PTFE Gasket**

**Metal Bonded Bushes**

**Air Bellow**

**Nylon Seal**

**Bushes**

**Nylon Wheel**

**Non-Asbestos Gaskets**

The main features of products are excellent flexibility, good heat and compression resistance. This includes materials suitable for high temperature resistance and/or weather resistance. Either way, excellent tolerances can be achieved across a range of the silicone rubber seals.
